EXPLAINING THE PRACTITIONER LICENSE APPLICATION AND AGREEMENT

As stated in the Terms and Conditions PDF, we can grant you a license once you have completed the training to a successful standard, and applied for your license, which includes payment for your license fee.

You will need to fill out the **Practitioner License Application** and sign our **Practitioner License Agreement** located in your Practitioner Module. We cannot give you legal advice on the Practitioner License Agreement and if you require legal counsel before signing the agreement, please source that for yourself so that you feel comfortable and clear about what you are signing. It's very important that you understand the terms of the agreement.

Once the foundations training has been completed and the appropriate paperwork completed, you can apply for your license at any time. Upon successful application, you will receive an electronic practitioner license. With your license, you will be ready to apply for insurance at an additional cost from a third party and practice the modality professionally for payment, with clients, as you choose. You become eligible for higher level training if you wish to continue on the path. You will also receive marketing materials and graphic design logos for you to use.

POSSIBLE CANCELLATION OF YOUR LICENSE

Please read the **Terms and Conditions PDF** and the **Practitioner License Agreement** for full description of grounds for the unlikely event of cancellation of your license. In the event of cancellation of a license, your legal right to practice the modality ceases. This means you will need to stop practicing the modality and cease to promote yourself as a practitioner.

If you wish to cancel your license for any reason, we ask that you give us notice by email to admin@alanafairchild.com as soon as possible so that we can complete the relevant administration tasks such as removing your online access.

WHAT IF I DON'T WANT TO PRACTICE THE MODALITY?

You can join our graduate community without becoming a practitioner. We are happy to have you in our community as a practitioner who practices the modality for spiritual growth rather than as a business. This is valuable and we honour such work.

STILL HAVE SOME QUESTIONS?

We are happy to answer your questions if any of the above is unclear to you. Please feel free to email the training angel for further assistance. We are so grateful for your presence in our community.
